

Liselotte Calander

COUNSEL

Liselotte Calander has been active in the financial industry since 1998.

Liselotte is specialized in financial regulation, mainly in the areas of securities, asset management and banking and finance and has significant regulatory and legal experience from the banking industry.

In her daily work, she provides advice in a variety of matters relating to authorizations with the Financial Supervisory Authority, various implementation and restructuring projects as well as corporate and contract law issues. She has over the years participated in several long-term projects implementing new legislation, such as MiFID/MiFID 2.

Liselotte has several years' management experience from the legal department at a large Swedish bank.
