

## Niklas Sinander

ADVOKAT/PARTNER

Niklas has been working with financial regulatory compliance matters as well as banking and finance since 2013. He joined Harvest in 2023 from another Swedish law firm where he was Head of Financial Regulation.

Niklas provides legal and strategic advice to Swedish and international investors as well as regulated entities in all financial regulatory areas. His expertise in financial regulation primarily covers the areas of payment services, consumer credits, securities, asset management (UCITS and AIFMD), investment services (MiFID), crypto-assets, anti-money laundering and counter terrorist financing (AML) and outsourcing, where he advises on a broad range of matters including license applications, regulatory compliance and cross-border business expansions.

His expertise in banking and finance includes advising Swedish and international lenders and borrowers on structured finance such as acquisition finance, project finance, real estate finance, alternative lending, peer-to-peer lending and other innovative credit structures. Niklas has extensive experience of both domestic and cross-border transactions.

He has for several years participated in educating LL.M. students on financial regulation and banking and finance at the advanced master program course "Credit and Financial Market Law" at Stockholm University.
